

## ALTERNATIVE CALF CLUB ACTIVITIES 2020

Children who are not participating with an animal for calf club have a two activities available. The most popular options chosen by the children were cupcakes and the Lego diorama.

- We encourage all children to get involved so they can be a part of the day. They are able to enter into both options if they wish. We will organise the age group categories when we get an understanding of the number of entries we are expecting.
- Parents are welcome to support the children with the making of these however, we need to have confidence that the final product on display has come from the ideas and efforts of the child so please be mindful of this.
- Cupcakes and the lego diorama all need to be made at home and brought to school by 9.00 am. Judging will begin soon after this time to allow the judges time to look over all entries and still be part of the remainder of the day.
- Teachers will find a time in the morning to walk their class through the hall to view the creations on display.

### Lego diorama success criteria:

- ♥ The diorama is to be created using a baseplate no larger than 32 x 32 studs.
- ♥ You can choose any theme that you like however the scene itself needs to be an original one. In other words, it cannot contain objects such as cars or buildings that have been created using plans from other lego sets.
- ♥ Each diorama must be accompanied by a title and blurb-like what is on the back of a book-as a way to get the viewer interested.

### Cupcakes success criteria:

- 🌸 Minimum of four cupcakes plus an extra one for tasting.
- 🌸 Cupcakes will be judged on a combination of taste and presentation. Try to choose a flavour combination that is delicious and a theme for presentation that is original and will impress.
- 🌸 For health and safety reasons, cupcakes need to be packaged or wrapped.
- 🌸 Cupcakes will be available for sale once judging has been completed. We'll run this like a silent auction.

If you have any questions about these activities then please talk to your child's teacher.

*Please return by Friday 25<sup>th</sup> September 2020*
