

Putaruru Junior Cricket 2021 Yr. 5 & 6 Grade Competition and Rules.

Runs for 5 weeks – 22nd Feb, 1st March, 8th March, 15th March and 22nd March.

This year's competition will be straight round robin games where each team will play each other. In the case of bad weather each team will be awarded one point each. Points system is 3-Win, 2-Draw and 0 for a loss. Winner will be the team with the most points at the end of the season.

Meet in front of the hub at 350 each week. Each team will need to provide a coach to ref or help ref their game. Games are to start at 4pm and will finish roughly by 530-6pm. Please ensure you wear covered footwear, a sun hat and bring your own water bottles to the games as it gets hot up at the fields.

Combined schools' team – Each week we will rotate students from our schools to make up this team. Could schools make sure they have worked out who is playing in this team on the Monday before we line up, so we are not mucking around when we are meant to be playing. This team has been entered so that we do not have to have a bye round.
